#CuUnPasÎnainte

Braşov, one of the most beautiful historic cities in Romania, offers, through its medieval heritage and spectacular natural setting, an inspiring space for scientific dialogue and professional collaboration. In this setting, specialists from various medical fields come together to share experience, knowledge, and new perspectives in the management of rare tumors.

CONFERENCE MANAGEMENT

Bd Ion Mihalache 174, sector 1, București
Web: <https://oneevents.ro/>
E-mail: contact@oneevents.ro

TECHNICAL PARTNER

Strada Mehadia, nr 43, sector 6, București
Web: <https://aimee.ro/>
E-mail: dan@aimee.ro

Registration Desk

The conference registration desk will be open throughout the event and it will be located in the Kronwell Hotel.

REGISTRATION DESK PROGRAM

Friday, March 27	08:30 – 18:30
Saturday, March 28	09:00 – 18:45
Sunday, March 29	09:00 – 12:00

Attendance Validation. On-site Registration of Participants

Attendance validation and on-site registration of participants will take place at the Conference Registration Desk.

Badges

Badges are issued for all registered conference participants. Access to the conference rooms, the medical exhibition and all events areas is granted based on the name badge.

Certificates of attendance

The certificates of attendance will be sent by email within a maximum of 30 days after the event.

GENERAL INFORMATION

Conference Room

The conference sessions will take place in the Ceremony Hall of the Kronwell Hotel.

Coffee Breaks

The coffee breaks will be organized in the Foyer during the time slots specified in the program.

Lunches

The lunches will take place as follows:

- On March 27th, buffet in the Foyer, 13:00 – 14:00
- On March 28th, buffet in the Foyer, 13:30 – 14:20

Dinners

The dinner on **March 27th** will take place at the Kayus Lounge Restaurant (Șirul Livezii, 2A Brașov), starting at 19:30.

The dinner on **March 28th** will take place in the Foyer, starting at 18:45.

08:30-09:00 Registration

DAY 1 Friday – 09:00 – 18:00, 27th March 2026
SARCOMA

09:00-09:05 • Opening

09:05-09:30 • Principles of Pathology in Sarcoma Diagnosis

Carolin Mogler

09:30-10:40 • Neo(adjuvant) Treatment in Soft Tissue Sarcomas

09:30 - 09:45 **Surgery**

Octav Ginghină

09:45 - 10:00 **Medical Oncology**

Monica Groza

10:00 - 10:20 **Radiotherapy**

Albina Allajbej

10:20 - 10:35 **Surgery**

Matei Iordache

10:35 - 10:40 **Discussion / Q&A**

10:40-11:20 • Retroperitoneal Sarcomas

10:40 - 11:00 **Controversies in Perioperative Treatment**

Dario Callegaro

11:00 - 11:20 **Surgical Techniques Adapted to Retroperitoneal Sarcoma Subtypes**

Șerban Marinescu

11:20-11:40 • Coffee Break

11:40-12:40 • Treatment of Metastatic Soft Tissue Sarcomas

11:40 – 12:00 **Medical Oncology**

Teodora Alexa Stratulat

12:00 – 12:20 **Radiotherapy**

Albina Allajbej

12:20 – 12:40 **Surgery (M1PUL and M1HEP)**

Bogdan Tănase

12:40-13:00 • Immunotherapy and Innovative Therapies in Sarcomas

Salvatore Provenzano

13:00-14:00 • Lunch Break

14:00-15:40 • Adolescents and Young Adults (AYA) Session

14:00 – 14:20 **Imaging Techniques and Their Role in Bone Sarcomas**

Andreea Ionescu

14:20 – 14:40 **Biopsy in Bone Sarcomas**

Răzvan Cismașiu

DAY 1 Friday – 09:00 – 18:00, 27th March 2026

SARCOMA

14:40 – 15:00 **Role of Genetic Testing**
Silvia Rădulescu

15:00 – 15:20 **Ewing Sarcoma and Osteosarcoma – Updates**
Luiza Șerbănescu

15:20 – 15:40 **Unmet Needs in Adolescent Patients / Survivorship**
Sorela Barbu

15:40-16:10 • **Controversies in Bone Sarcoma Surgery: Megaprosthesis vs Allografts**

15:40 – 15:50 **Limb Reconstruction in Bone Sarcoma: An Introduction to the Controversy**
Adyb Adrian Khal

15:50 – 16:10 **Megaprosthesis Versus Allografts: When and Where?**
Jonathan Stevenson

16:10-16:30 • **Coffee Break**

16:30-16:50 • **Industry Symposium: Merck (Desmoid Tumors)**

Desmoid Tumors: Therapeutic Challenges and Current Recommendations
Silvia Brotea-Moșoiu

16:50-17:30 • **Rational Use of NGS-based Molecular Testing in Sarcoma**

16:50 – 17:10 **Medical Oncology**
Silvia Brotea-Moșoiu

17:10 – 17:30 **Pathology**
Oana Andreoiu

17:30-18:30 • **MDT Session (Clinical Scenarios - What Keeps You Up at Night) Panel Discussion / Round Table**

17:30 – 17:40 **Case 1**
Răzvan Cismașiu

17:40 – 17:50 **Case 2**
Mădălina Tolea

17:50 – 18:00 **Case 3**
Simina Condruz

18:00 – 18:10 **Case 4**
Demetra Bălan

18:10 – 18:20 **Case 5**
Andreea Bulzan

18:20 – 18:30 **Final Q&A**

19:30

• **Dinner**

Kayus Lounge - Șirul Livezii, 2A Brașov

DAY 2 Saturday – 09:00 – 19:00, 28th March 2026

Morning Session: Melanoma

Afternoon Session: Central Nervous System Tumors

- 09:00-09:05 • Opening**
- 09:05-09:25 • Clinical Presentation and Biopsy**
Silviu Voinea
- 09:25-09:45 • Is SLND Still Needed in Early Stages?**
Local Management of SLND Positive Cases
Zorin Crăiniceanu
- 09:45-10:05 • Predictive and Prognostic Biomarkers in Locally Advanced and Metastatic Melanoma**
Dan Jinga
- 10:05-10:25 • (Neo)adjuvant Strategy**
Alice Indini
- 10:25-11:25 • Industry Symposium - *MagnaPharm***
Redefining Disease Control in Advanced Melanoma with BRAF V600 Mutation
Răzvan Ovidiu Curcă, Laurenția Galeș, Dan Jinga
- 11:25-11:45 • Coffee Break**
- 11:45-12:05 • Treatment of Metastatic Melanoma in the Context of Current (Neo)Adjuvant Strategies**
Teresa Amaral
- 12:05-12:45 • Industry Symposium - *Bristol Myers Squibb***
A Decade of Anti-PD-1 Therapies in Melanoma: Securing Control, Protecting the Future
Dan Jinga: Can PD L1 Testing Impact Treatment Decision Making in Melanoma?
Cătălina Bezărău: 10 years in Premier League
- 12:45-13:00 • Industry Symposium - *Novartis***
Metastatic Melanoma - Clinical Perspectives, Therapeutic Options, and Personalized Management
Laurenția Galeș
- 13:00-13:30 • Industry Symposium - *Merck***
Avelumab in Merkel Cell Carcinoma: Clinical Insights and Case Study Presentation
Laurenția Galeș, Maria Curcă
- 13:30-14:20 • Lunch Break**
- 14:20-15:00 • Clinical Cases and MDT**
14:20 – 14:30 **Case 1**
Vlad Afrăsânice

DAY 2 Saturday – 09:00 – 19:00, 28th March 2026

Morning Session: Melanoma

Afternoon Session: Central Nervous System Tumors

14:30 – 14:40 **Case 2**
Layis Laura

14:40 – 14:50 **Case 3**
Cătălina Bezărau

14:50 – 15:00 **Discussion / Q&A**

15:00-16:00 Uveal Melanoma

15:00-15:15 • Industry Symposium - Medison

Kimtrak in Clinical Practice: Outcomes, Insights and Future Directions
Raluca Pătru

15:15-16:00 • Local Therapy

15:15 – 15:30 **Ophthalmology**
Elisabeta Murgoi

15:30 – 15:45 **Gamma Knife Stereotactic Radiosurgery in the Treatment of Uveal Melanomas**
Fery Stoica

15:45 – 16:00 **Oncologists Perspective**
Laurenția Galeș

16:00-16:20 • Coffee Break

CENTRAL NERVOUS SYSTEM TUMORS

DIFFUSE GLIOMAS – From Diagnosis to Integrated Care

16:20 – 16:40 **From Microscope to Molecular Classification: How WHO 2021 Changed Our Understanding of Brain Tumors**
Diana Pasov

16:40 – 17:00 **Surgery of Diffuse Gliomas: Between Precision and Functionality**
Sebastian Pavel

17:00 – 17:20 **Imaging of Diffuse Gliomas: Beyond Conventional MRI**
Adrian Sîrbu

17:20 – 17:40 **Modern Radiotherapy in Diffuse Gliomas: Between Precision, Personalization, and Functional Protection**
Gabriel Ricu

17:40-17:55 • Industry Symposium - Servier

IDH-Mutant Gliomas: Understanding the Patient Needs and Objectives to Build Personalized Pathways
Dan Mitrea

DAY 2 Saturday – 09:00 – 19:00, 28th March 2026

Morning Session: Melanoma

Afternoon Session: Central Nervous System Tumors

- 17:55-18:25** • **Adjuvant Treatment in Diffuse Gliomas:
Current Strategies and Emerging Perspectives**
- 17:55 – 18:10 **Current Strategies and Future Directions in Diffuse Low Grade Gliomas**
Dan Mitrea
- 18:10 – 18:25 **Current Strategies and Future Directions in Diffuse High Grade Gliomas**
Adriana Băncilă
- 18:25-18:45** • **Patient Monitoring and Symptom Management:
How to Improve Quality of Life**
Anca Ghiliniță
- 18:45** • **Dinner**
Foaier

DAY 3 Sunday – 09:00 – 12:00, 29th March 2026
CENTRAL NERVOUS SYSTEM TUMORS
- continued -

- 09:00-10:00** • **Interactive Tumor Board:
Integrated Decisions in Diffuse Gliomas
Clinical Cases | Multidisciplinary Discussion
Panel:**
- Neuro-Oncology**
Dan Mitrea
- Neuropathology**
Diana Pasov
- Neurosurgery**
Sebastian Pavel
- Radiotherapy**
Gabriel Rîcu
- Neuroradiology**
Adrian Sirbu
- 10:00-10:30** • **Current Clinical Trials in Primary CNS Tumors
and Future Directions**
Dan Mitrea
- 10:30-11:00** • **Ependymomas: Between Molecular Biology
and Therapeutic Challenges**
Adriana Băncilă
- 11:00-11:30** • **Medulloblastoma: From Molecular Subgroups
to Targeted Therapies**
Anca Ghiliniță
- 11:30-12:00** • **Meningiomas: When ‘Benign’ Doesn’t Mean Simple**
Sebastian Pavel
- 12:00** • **Closing Remarks**
